The book is in an 8"x10" format and is 108 pages. The cover price of the book is \$22.95. My publisher does not have a shipping calculator on their site, so the bulk rate of the book will be \$12.50 per copy to cover my shipping expenses. The minimum buy in for the bulk rate is 20 books at one time. Book orders must be paid in advance. If you'd like to have the books quickly, you can FAX a copy of the check in the space on the bottom of this form so I can go ahead and order right away.

Quantity of books ordered _____ at \$12.50 each. Total _____

Thanks again to everybody who helped make this happen :)
